The question is whether R.A. members intitled to attend District Meetings should be given the rate allowed to R.A. members or District members. The H. Secy agrees with the view that they may be given the rate allowed to District members. The R.A. Secy who was also consulted says that R.A. members attending District Meetings for selection of subjects are given the rate allowed to R.A. members for attending R.A. meetings. As regards this it may be stated that the latter meeting is a ~~meeting~~ part of the R.A. meeting. ~~The~~ The meeting of the District where they are invited is a District meeting essentially and as such it appears that the rate allowed for District members should be given & they are not for the rate allowed for R.A. meeting.

Subject- T.A. due to Mr.Patel Chennappa R.A. member for having attended the priliminary District Meetings.

Sir,

With reference to G.O.No. L.194-212 L.B. 102-25-16 dated 12th July 1926 sanctioning the payment of T.A. by the District Board to the R.A. members who may be invited to District Board meetings in connection with the disposal of local subjects referred to the Board, I havethe honor to state that the above G.O. does not specify the rates at which Travelling Allowance is admissible to such members.

Mr. Patel Chennappa, a member of the Representative Assembly who attended the District Board meeting has claimed his Travelling Allowance according to the rates allowed for attending the Representative Assembly meeting viz. one 2nd and one 3rd class railway fare for each to and fro journey and Rs 5/- as meeting allowance. The rate of Travelling Allowance allowed to non-official District Board members is 4 annas milage and double 2nd class Railway fare for each to and fro journeys together with Re. 1/- halting allowance.

Under the above circumstances I request that orders of the Government may be kindly obtained as to the rates of Travelling Allowance at which the Representative Assembly members who may be invited to attend the District Board meeting for the disposal of local subjects may be allowed.

I have the honor to be,
Sir,
Your most obedient servant,

Travelling Allowance.

Passes orders regarding the grant of —— and providing accommodation and other facilities to the Members of the Representative Assembly.

READ—

Subject No. 205 of the subjects discussed at the Representative Assembly Session of October 1922 regarding accommodation and grant of travelling allowance to the Representative Assembly Members and the following reply of Government thereto, *viz.*—

"The question of giving facilities will be investigated by the Mixed Committee."

2. Correspondence ending with letter No. 250, dated the 21st March 1923, from the Special Officer for Reforms, forwarding the recommendations of the Reforms Committee.

ORDER NO. 1024-83—REF. 29-22-2, DATED 12TH NOVEMBER 1923.

The Members of the Representative Assembly do not, at present, receive any travelling allowance for their journeys to Mysore to attend the Sessions of the Assembly. They are, however, given Lavajama or its equivalent in cash. Government also make special arrangements, as far as possible, for providing accommodation to the Members of the Representative Assembly.

2. The question of granting travelling allowance and providing accommodation and other facilities to the Representative Assembly Members has been brought up at the Assembly more than once but the opinion of the Members was divided. When the subject was brought up in the Dasara Session of 1922, Government promised to refer the matter to the Mixed Committee appointed to work out the details of the Scheme of Constitutional Developments.

3. The Committee have submitted the following proposals :—

(1) That an amount equal to a single second and a single third class fare may be paid to each Member for Railway journey.

(2) That a sum of Rs. 5 for every 15 miles and fraction thereof in the Malnad, and for every 20 miles or fraction thereof in the Maidan may be paid. No mileage need be paid for places within a distance of 5 miles from the Railway.

(3) That Rs. 5 per day may be fixed for halts.

(4) It should be made clear that these allowances are paid for attendance during the whole Session. The Government will provide accommodation to the Representative Assembly Members, as far as possible, and may charge up to one rupee a day for the accommodation so provided.

(5) That the accommodation in the Representatives' Home should be increased as soon as funds permit and the existing conveniences may be improved.

(6) That the system of lavajama may be abolished when payment of travelling allowance as above is introduced.

4. Government are pleased to sanction the above proposals with the observation that they cannot guarantee that accommodation will be provided in all cases. In the case of those for whom accommodation is found, actual charges not exceeding one rupee per day for the entire period for which the accommodation is provided will be levied.
